

 Premier Plumbing <small>AUSTRALIA</small>	<h2>QUALITY POLICY STATEMENT</h2>	Doc: PO-002
		Issue: 1
		Date: 04.04.17
		Page 1 of 1

Premier Plumbing Australia is a design and construct contractor specialising in plumbing, gas fitting and drainage systems for retail and commercial developments, community and education facilities, industrial and high-rise residential developments, and civil projects.

Our Quality Management System is based on the International Quality Management Standard **AS/NZS ISO 9001:2008**.

Commitment:

- Comply with client specifications and relevant statutory requirements
- Establish and maintain objectives and targets with the aim of eliminating inefficiencies
- Define roles and responsibilities of personnel
- Comply with ISO 9001:2008
- Make available all operating instructions and directions to ensure service consistency
- Ensure that our employees, and providers of labour and contract services are appropriately qualified and competent
- Monitor, inspect, measure and report the effectiveness of our quality management goals and system.

Business Goals:

- To have a growing and sustainable business
- To comply with our legal and safety obligations
- To become more environmentally aware
- To consistently meet our client requirements
- To improve the performance of our employees through training and consultation.

This statement is issued to indicate our commitment to our clients and our standards of service. The full support of our employees, suppliers and subcontractors is sought in meeting our commitment.
